Cllr Pickett then suspended the meeting to hear comments from members of the public.

Concern about number of HGVs driving through the village, one lorry driver informed a resident that companies in Churchfields tell them to turn left. Wiltshire Council should be writing to all companies to insist they get deliveries to access via the correct route. The signs are not good enough.

PC Jung arrived and confirmed that the police have written to all companies on Churchfields industrial estate re HGVs in Quidhampton, the signage has been looked at and it is acceptable.

Clerk will write to WC about this issue. Parishioners will also be asked to write, Clerk will get details of whom letters should be addressed to.

PC Jung suggested it is raised as an issue with the Area Board, via the website.

Newsletter editor will liase with Lower Bemerton and suggest something goes into What's On.
