Family fun day with an historical twist: celebrating the old, welcoming the new.

Did you go to St Thomas' School, Westwood School, Westwood St Thomas' School or Salisbury High School? Then go along to celebrate and say a fond farewell to the existing buildings, which have a long and proud history within the community.

There will be a history exhibition, a chance to

be part of a video diary telling stories and reminiscing about your time there, photo opportunities, a memory book and all sorts of other activities and opportunities to say a proper farewell – and maybe even the chance to graffiti a school wall (without a detention!). As well as traditional fete stalls, workshops in African drumming, archery etc, entertainments, and food stalls there will be a People's Market: **Free stalls for local individuals and organisations – ring 342431.**

Helen Kirby and Steve Wales

travelled in style to their wedding at St John's. The magnificent Victorian style horse and carriage, which has also appeared in Doctor Who, attracted much attention but not as much, of course, as the happy bride and groom.

Women's Institute

Bad weather forced the summer garden party into the village hall but members enjoyed delicious food and the company of several past members invited for the occasion. A report of the national AGM was read. Members would like to thank the committee for providing such a good meal every year. It is appreciated.

The new programme begins in July Bill Moore talks about "The Good Old Days – Life in Hand Laundry 1940s". Nostalgia, vintage or history lesson? Depends on your age!

The August talk is "100 Years of Salisbury Operatic Society."

Talks open to villagers and friends; a small charge is made for entrance, tea and biscuits.

Parish Council

At the annual meeting Dave Roberts was re-elected chair and Chris Edge vice-chair. Dave thanked those who stepped down during the year: Ian Lovett, Duncan Witt and Jennifer Tyler, noting that Jennifer had served for many years and remained responsible for the upkeep of the playground even when she reached her eighties. The Jubilee and fireworks events showed what ability the

Bemerton Film Society

17 July: Citizen Kane

A classic film, from 1941, regularly in the top ten of best films ever made, as watchable today as ever. When the wealthy Charles Kane dies as a recluse a reporter investigates his life story and tries to find the meaning of his last word: "Rosebud."

21 August: The Best Exotic Marigold Hotel

The feel-good film of 2012. Distinguished actors (Judi Dench, Maggie Smith, etc), a stunning location (Jaipur, Rajasthan), humour, mishaps, unlikely friendships, sunshine: a heart warming wish fulfillment fantasy. Watch it or re-watch it in good company: ideal entertainment for a summer's evening.

village has to work together as a community even exceeding expectations. Dave thanked Clare Churchill, parish clerk, who made his job a lot easier.

It was agreed that the 2013 village fete would be supported by the parish council, thus enabling it to be run under their insurance.

Next meeting: Tuesday 23 July members of the public welcome to attend. There are two places on the council for co-opted members.

Police Report:

Dear All Just a quick request for anyone not already on the email bulletin. For me this is the best way of communicating local crime trends, monthly crime reports and the like. It's also a good way of getting hold of me or Jenny and can be used to report HGV's driving through the village. Only Jenny and I hold onto the email addresses. They are not given to anyone else internally or externally and emails are few and far between (I'm well aware of irritating and unwelcome communications so you won't get any from me!) **Regards, PC Pete**

Locking up St. Andrews

It is lovely to have the village church open during daylight hours, but we are running short of helpers to be on a locking up rota. If you could do a week's worth once in a while, or manage every 2nd Tuesday, please get in touch. You would be helping provide a quiet, sacred (meaning "set apart") space for many people. **Simon Woodley, rector**

Correction to June newsletter: the group of young people who made a presentation to the Parish Council about improvements to the playground worked together as a group, there was no one person as 'mastermind.' They are now waiting to hear what the council decides at its July meeting. If there is a positive response they want to contact other young people in the village to hear their views.

Found in the bushes by the playground/park: a neon yellow Champions League Final 2013 football. Contact editor to claim it.

This edition is kindly sponsored by Chris and Jo Penny who donated their 100 Club win.
