**14/106 Highway Issues.**

(i) **20mph speed limit.** To progress a bid for a 20mph to submit early in 2015. It should be as detailed as possible with traffic and pedestrian figures.

To establish a working party to progress this bid.

(ii) **Pedestrian safety in Lower rd.** WC Traffic Engineer feels the only option is to paint a white line (broken so that cars can access the Alders parking spaces) on the north side. This hopefully will show the road is only wide enough for 1 vehicle.

(iii) **Traffic speed along the A3094.** The Results of the metro count survey for the area of Netherhampton Road are provided below.

The survey was carried out between 12/09/2014 and 19/09/2014. A total of 39086 vehicles were checked.

The 85th percentile was 44.1mph (the 85th percentile is the speed at which 85% of the traffic is travelling at or below).

In 40mph speed limit the following criteria will be applied 40 to 45.9 mph 85th percentile = No Further Action (NFA).

Full breakdown of the results has been requested.

(iv) **CATG report.** Report from the recent meeting. Clerk attended. No further information on current 20mph speed limits but councils were reminded they need to apply again if they wish to go forward. Clerk was asked how many accidents had occurred in Quidhampton in the past few months, all the accidents on the A36 were in the Salisbury parish but impact on Lower Rd as it is the alternative route.

A3094 maintenance. Highways confirmed they intend to resurface part of this road before the end of this financial year

Parishes are being asked if they will contribute to the running costs for SIDs (speed indicator devices). As Quidhampton does not have the SID it is not applicable at the moment but could be considered for future budgets. The cost would be approx £400 per parish per year.

**14/107 Community Speed Watch.**

Clerk has received a more detailed breakdown to the ones sent which have been forwarded to Cllr Cripps. Cllr Cripps has yet to confirm whether he requires further detailed figures.

**14/108 Boundary Review, to receive an update if available.** A meeting will take place on 1<sup>st</sup> December with representatives from all councils involved. Cllr Roberts and Clerk will be attending.
